Due to the limited space and time for set up and tear down we are only doing table spaces this year. All vendors must be packed down and loaded out by 7pm for the Leather and Lace party to begin set up. Power will also be very limited. Limit of 2 table spaces per vendor. A space is 4 ft x 6 ft. Must provide your own tables and chairs. There will be a limited number of tables available for rent. Only one vendor per space, can not share or sublease with another vendor. Fee's are non refundable. By signing this agreement you are agreeing to be there, no closing up or packing down early. Do not create a separate social media event, share only the one provided by us. Payment does not guarantee acceptance, we reserve the right to refuse any vendor for any reason. Vendors should provide their own insurance. We can not be held liable. In the event that this should be canceled, all vendors will receive notice and full refunds, though we do not expect this to happen. Please fill out the form, sign and send check and form to:
